Further Event Details

Detailed arrival information, including a site map and car pass, will be provided to you nearer the event date and once your booking has been confirmed.

Stallholders will be able to set up the day prior to the event if they choose, however please be aware that the castle grounds are open to the public and neither Caerhays Estate nor Cornwall Air Ambulance Trust will accept any liability for damage or theft of property left in marquees overnight.

On the day of the event, stallholders are invited to set up from 8.00am onwards. The public will be admitted from 10.30am. All stall holder parking will be in the main beach car park outside the castle grounds. Due to narrow roads on the estate, to avoid congestion we ask that you unload your car on arrival at your pitch, move your car to the car park as directed and then set up your stall. Please contact us if this is going to cause a problem.

The event has never been cancelled due to bad weather. However, it is an outdoor event and therefore weather dependant. We cannot provide gazebos, tables or chairs so we ask that you bring your own as you require. Some pitches are on grass and others on gravel or tarmac; we will let you know which you have been allocated.

In the event of severe weather, we will be setting up an information phone number that you will be able to call and immediately find out whether the event has been cancelled, right up until the morning of the event.
